TOK Engineering CO.,LTD

TOK Sale CO.,LTD

Dear customer,

### Alert to “me-too products”

Always thank you very much for using our products.

We have confirmed that “me-too products” of ours have been on the market mainly in East Asia since the year before last.

We have obtained the intellectual property right of our products and are now applying it both in Japan and foreign countries. We don't permit any companies to use our intellectual property right.

There is a possibility that serious faulty will occur while you are using “me-too products”, which don't meet our quality standard. We don't guarantee the same quality and safety standard as ours even if other companies make and sell “me-too products”, using the skills of our intellectual property right. We hope you understand that even if you get any damage or disadvantage from using “me-too products”, we don't take any responsibility.

From now on, to root away the deed to make and sell the products invading our intellectual property right and the deed to sell the products using “me-too products”, we will deal with this matter with a firm attitude, including warning and legal proceedings.

Lastly, please purchase our products through our special sales agent/authorized agent.

We sincerely hope you keep using our products as ever.

Our target model : NIP-III D Standard type
